We further estimate that there was approximately [REDACTED] remaining unspent in the contract at March 31, 1958. Thus, the contract should be amended to add [REDACTED] in estimated costs [REDACTED].

Since we had estimated in January of this year that our activities through June 30, 1958 would require the amount of [REDACTED] in estimated costs to be added to the contract, this is a reduction of [REDACTED].

At the time of estimating the addition of [REDACTED] we had agreed on an additional fee of [REDACTED], the criteria of which is set forth in your letter of February 3, 1958. Since we are now revising our cost estimate downward in the amount of [REDACTED] we will agree to a reduction in the fee to a new amount of [REDACTED]. STATINTL

We trust that the above information will enable you to issue an amendment to the contract. However, if you need additional information, do not hesitate to contact the undersigned.

Very truly yours,
